“Gold Buyers International chooses for innovative security solutions from Safe T Sure and Inferno Security Barriers”

Marc Oliver Gomperts, CEO Goldbuyers BeNeLux: “ The security level of our kiosks demands for a specific approach in regard to security solutions. The technologies from Safe T Sure and Inferno Security Barriers offer us the right possibilities “

“Gold Buyers International is the worldwide leader in recycling of gold. Securing the handling and storage of gold is a challenge for every security company, says Mado van der Kamp, CEO at Safe T Sure BV. We are excited that Gold Buyer’s International has distinguished the added value of Inferno Security Barriers as a component of our layered security system “

Safe T Sure BV is distributor of innovative security solutions and less lethal security barriers. Active security solutions like Inferno Security Barriers reduce damage from burglary and intrusion dramatically.

Gold Buyers International is the world leading company in the recycling of gold. Gold Buyer’s international has over 650 kiosks and is represented in over 28 countries worldwide.
